

Industry Leading IT Services

**Industry Leaders in SOA,
Enterprise Application
Integration and System
Performance**

Founded in 1990, GalaxE.Solutions®, Inc. (GalaxE), is an industry leader in designing and deploying business processes and supporting systems that enable clients to transact and share information across internal networks and the Internet, targeting business results, competitiveness and efficiency.

With state-of-the-art delivery centers in Somerset, NJ, Bangalore, India and Toronto, Canada, GalaxE leverages its expertise in professional technology, staffing and managed services to deliver quality solutions for the most demanding business and user requirements.

GalaxE's partnerships and associations include Siperian, Cognos, Mega, Microsoft, Oracle, and IBM, with a client list that encompasses a range of Fortune 500 companies from multiple industries.

For more information about GalaxE's suite of services and how they can help your business today, please contact Tore Carlson at 732-868-0400 x221, or e-mail, tcarlson@galaxesolutions.com.
